

PROLINE

A man with a beard and short hair, wearing a dark blue shirt, is holding a fan of several rectangular tile samples. The tiles have a light beige or cream color with a subtle, geometric pattern. The background is a bright, modern interior with large windows and indoor plants.

HARMONY-LINE

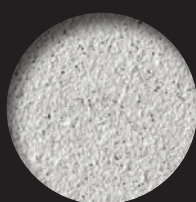

The harmonious interaction of tile and profile
La combinaison harmonieuse entre le carreau et le profilé

The new Harmony-Line | La nouvelle gamme Harmony-Line

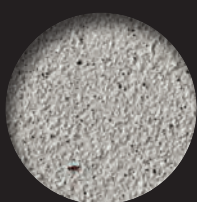

Tile profiles of a special kind | Des profils de carrelage du genre particulier

The interplay of tile and edging profile can be of room-shaping significance. With six warm colors and a lightly structured surface, the profiles of the Harmony-Line Harmony-Line profiles blend in with the appearance of modern tiles with discreet finesse. Unobtrusive and elegant, they combine perfect looks with easy maintenance and secure protection of the tile edge.

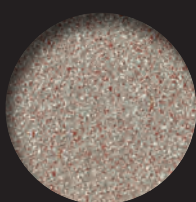

La combinaison entre le carreau et le profilé de bordure peut apporter une valeur déterminante pour votre pièce. Grâce à six différentes couleurs chaudes et une surface légèrement structurée, les profilés Harmony-Line s'adaptent parfaitement et d'une manière discrète avec les carreaux modernes. Discrets et élégants, ils assemblent l'aspect parfait avec un entretien facile, et la protection véritable des bords des carreaux.
